abv 5.9 % DEEP COPPER

ABOUT 2020

In 1996 we re-booted an old 12th century brewing tradition in Weymouth Harbour, and in 2011 we upgraded to a state-of-the-art spring water fed brewhouse on the Jurassic coast, capable of crafting more than 2 million pints a year.

2020 - It's our 25th anniversary this year. The Jurassic Brewhouse onsite taproom has officially kicked off and is open to everyone and anyone who fancies a beer at the bar or a crate to take home. Brewery tours are weekly please phone or drop in for available dates.

If you're coming down on holiday, you can now pop in and pick up a beer growler for the weekend.

We will be working more and more on our tap room and adding to our events list as the year moves forward.
